Attendance Policy

Agreed by the full Governing Body July 2026

Date for review: July 2028

Name of the Senior Attendance Champion: Terri Hitchcox, Headteacher

Introduction

Chilvers Coton Community School is proudly recognised as an Inclusive Attendance school. Our unwavering commitment to attendance centres around child-centric actions, evidence-informed practices, and a shared understanding of everyone's roles and collective responsibilities to promote exceptional attendance.

Inclusive Attendance Professional Development Model

The Inclusive Attendance professional development model fundamentally guides our attendance approach. Comprising six tailored Learning Modules, this model empowers us to deepen our understanding by facilitating continuous professional learning for all staff. Within this model, the four domains of practice ensure the provision of professional learning, professional development, evidence-based practices, and exemplary leadership and management to seamlessly integrate theory into practice.

Annual Inclusive Attendance 7-Month Development Programme

Each year, Chilvers Coton Community School review and further enhances attendance practices through dedicated participation in the Inclusive Attendance 7-month development programme. This investment allows us to remain at the forefront of educational change and extends unparalleled support to our children and their families, equipping them with access to the finest possible assistance.

A Multi-Tiered System of Support

To guarantee a comprehensive approach to attendance, Chilvers Coton Community School implement a Multi-Tiered System of Support. A Multi-Tiered System of Support (MTSS) for school attendance involves three tiers of intervention, with roles for teachers, the school, children, parents, and external agencies – including the Local Authority. Data-driven decision-making and training requirements are pivotal to the implementation of this system. The system aligns with the Department for Education's (DFE) "Working Together to Improve School Attendance" statutory paper 2024.

Tier 1 - Universal Approach: Establishing a baseline universal attendance approach that benefits all children.

Tier 2 – Internal individualised Strategies and Early Help Support: Tailoring strategies to individual needs and providing early help support for persistent attendance challenges.

Tier 3 - Higher Needs Strategies Support: Furnishing specialised support for children, young people, and families with complex attendance requirements, including access to external agency support when necessary.

Chilvers Coton Community School Recognition-Based Approach

Our attendance philosophy is rooted in a recognition-based approach that recognises both personal and collective achievements. This approach serves to thwart isolation, prevent victimisation, cultivate positive environments, nurture relationships, foster inclusivity, and ultimately cultivate intrinsic motivation among our children, families, and staff.

We recognise improved attendance over time and also recognise 'good' attendance.

The Importance of School Attendance at Chilvers Coton Community School

School attendance is not merely a requirement but a fundamental pillar of education. It plays a pivotal role in shaping academic success, personal growth, and future prospects, making it an indispensable aspect of any educational system. Regular attendance to school can have a significant impact on:

- **Academic Achievement:** Regular attendance directly correlates with academic success. Children who attend school consistently are more likely to keep up with the curriculum, perform better in exams, and improve their life outcomes.
- **Knowledge Acquisition:** School is where children acquire knowledge and skills that are crucial for their personal and professional growth. Missing days means missing out on valuable learning opportunities.
- **Social Development:** School provides a vital social environment for children and adolescents to interact with peers, develop friendships, and learn essential social skills. Consistent attendance ensures children remain connected to their peer group.
- **Building Routine:** School attendance establishes a structured routine in children's lives, teaching them time management and responsibility, which are valuable life skills.
- **Teacher Interaction:** Regular attendance allows for meaningful teacher-child interactions. Teachers can provide personalised support, address questions, and assess individual progress more effectively when children attend regularly.
- **Preventing Knowledge Gaps:** Frequent absences can lead to significant knowledge gaps, making it challenging for children to catch up with missed lessons, potentially resulting in long-term academic struggles.
- **School Engagement:** Children who attend school regularly are more likely to engage in extracurricular activities, sports, and other enriching experiences that contribute to their overall development.
- **Legal and Parental Responsibility:** Parents or guardians are legally responsible for ensuring their child's regular school attendance. Failing to do so can lead to legal consequences.
- **Community Well-being:** High levels of school attendance contribute to the overall well-being of communities.

Factors Influencing Attendance

There are many factors which can impact on a child attending school, if you have any concerns you should contact the school as soon as possible:

Health Issues: Children may experience physical or mental health issues that lead to absences. Chronic illnesses, infections, and mental health conditions can impact a student's ability to attend school regularly.

Family Circumstances: Family-related factors such as bereavement, family illness, or caring responsibilities can result in absences from school. In some rare and exceptional cases, students may need to take time off to support their families.

Bullying and Safety Concerns: Experiences of bullying, harassment, or safety concerns at school can deter students from attending. They may fear for their safety or well-being, leading to increased absenteeism.

Transportation Issues: Difficulty in accessing transportation to school, especially in rural areas, can affect attendance. Lack of reliable transportation options can lead to sporadic attendance.

Socioeconomic Factors: Families facing financial difficulties may struggle to provide necessary resources for their children to attend school regularly. Issues such as lack of appropriate clothing, food, or a stable home environment can contribute to absenteeism.

Special Educational Needs (SEN): Students with special educational needs may require additional support and accommodations to attend school regularly.

Engagement and Motivation: Lack of engagement with school activities and a perceived lack of relevance in the curriculum can lead to disinterest in attending. Children who are not motivated may avoid attending school.

Academic Challenges: Students facing academic difficulties or feeling overwhelmed by coursework may avoid school. They may fear falling behind or failing in their studies.

Cultural and Language Barriers: Children from diverse backgrounds may face challenges related to language barriers or cultural differences. These challenges can affect their attendance and engagement with school.

Peer Pressure and Social Factors: Influence from peers can impact attendance. Children may avoid attending school to align with the behaviour of their peers or to engage in social activities outside of school.

Parental Involvement: Parental support and involvement in a child's education can positively influence attendance. Lack of parental engagement may lead to increased absenteeism.

Supporting Attendance at Chilvers Coton Community School

To address any identified attendance issues effectively, Chilvers Coton Community School will implement a range of strategies such as early intervention, support for vulnerable families, intervention programmes, and creating a positive and inclusive school environment. Understanding the specific factors affecting attendance for individual children and families is crucial for developing any targeted interventions and support systems to improve attendance outcomes.

Attendance and Punctuality Expectations at Chilvers Coton Community School

We expect children to attend school whenever they are well enough to do so. We expect that non-emergency appointments such as dentist check ups are arranged outside of school time. We share our term dates as soon as they are confirmed so that leave of absences can take place in school holidays.

We expect children to arrive at school between 8.45am and 9.00am. Any arrivals after 9.00am will be classed and recorded as late; any children arriving after 9.30am will have a unauthorised absence recorded for the morning session.

We expect parents/carers to inform us of a child's absence every day they are absent by 9.00am using either our 24 hour voicemail service or via the app 'Studybugs'.

Strategies for Using Data to Target Attendance Improvement Efforts at Chilvers Coton Community School

- The whole school cohort and Individual year groups are monitored weekly through our management information system and used to identify good attendance, improved attendance and any patterns of worsening attendance.
- Individual pupils are monitored to ensure they are not at risk of becoming persistently absent. This data is then used to inform class teachers, parents and members of the attendance team to ensure attendance improves.
- Demographic groups, e.g., pupils from different ethnic groups or economic backgrounds are monitored through collecting weekly and half termly data to identify any trends or patterns.
- Other groups of pupils, e.g., pupils with SEND, LAC, and pupils eligible for FSM; data is collected weekly, half termly and termly for these groups and analysed for any patterns or identify where any tier 2 or 3 support may be required.
- Pupils who have an allocated social worker or are known to social care have their attendance monitored daily and weekly. Social workers are notified when attendance becomes a concern and attendance is always included in safeguarding reports for meetings.
- A pupil who is absent for prolonged periods, or repeated occasions, which may indicate a safeguarding concern, such as CSE or CRE, particularly county lines are monitored through daily monitoring and contact with parents/carers. Referrals are made to outside agencies when deemed appropriate and our children missing education policy is followed.
- Pupils at risk of Severe Absence (SA; below 50% attendance); data is collected and used to analyse any trends or patterns. Meeting to take place with family and any

outside agencies where relevant to implement tier 3 interventions appropriate for the individual child/family.

Strategy for Reducing Persistent and Severe Absence at Chilvers Coton Community School

We will work with families to reduce persistent and severe absence at our school; starting with ensuring there is a welcoming environment for all children and families so that children are happy to come to school and that parents/carers feel they can raise any issues or inform us of any barriers to attendance.

We collect and analyse daily, weekly, half termly and termly data for attendance to ensure we are analysing patterns, noticing trends and informing families at the earliest opportunity if attendance is causing a concern.

Attendance is everyone's responsibility so we provide training specific to attendance for all of our staff. We have a link governor for attendance who will hold the school to account for attendance and punctuality.

Where children become persistent or severely absent, we will meet with families to have an open and honest discussion about attendance and how we can support each other to improve attendance. Children who are persistently or severely absent will be prioritised for absence calls to see if they are able to attend some of the school day (this will be bespoke dependent on individual needs). We will also contact parents/carers regularly for updates and to recognise when attendance is improving. We will create an individual profile for each child to identify the evidence-based strategies we are using and to enable us to monitor the impact of these.

Removal from roll

This refers to the process of a child's name being officially taken off the school's register, typically due to extended non-attendance or other circumstances. Elective Home Education (EHE) is an option that some parents choose after removal from roll, where they take responsibility for providing education to their child at home.

Elective Home Education

If parents wish to electively home educate their child/ren, school need to be informed in writing/email to the Headteacher. In line with Warwickshire policy, school give a 10 working day 'cooling off' period in which parents can change their minds and the pupil will then be reinstated in school. The pupil will remain on school registers for the duration of this 'cooling off' period.

Where there are concerns around safeguarding, the Front Door team may be notified of this decision.

Coding of Attendance

Attendance will be recorded using the DFE's statutory attendance codes, please refer to the appendix for coding.

Requesting Absence Leave

- The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.

Expectations

- A leave of absence is granted entirely at the school's discretion. Permission for a Leave of Absence from a school may only be given by a person who the school's proprietor has authorised to do so (an authorised person).
- Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

- Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.
- Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.
- When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify the parents of their decision. The school may also request further information on the application and supporting documentation where appropriate.
- It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is their responsibility to ascertain if the leave is authorised prior to the start of the leave.
- The school can only consider applications for Leave of Absence which are made by the resident parent. i.e the parent with whom the child normally resides.
- Where applications for Leave of Absences are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an "unauthorised" absence. Where a leave of absence is requested but additional days take either prior to or after the request, they may be considered as part of the leave of absence.
- Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'.
- All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service of Warwickshire County Council. Penalty notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.
- Where a Penalty Notice is not paid within the timeframe set out in that Notice, the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

Leave of Absence taken in the academic year 2024-25

The law relating to Penalty Notices is changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence after this date will be issued in accordance with the updated legislation.

Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices – 4 in total).

- First Leave of Absence Offence: The amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.
- Second Leave of Absence Offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.
- Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice). A Penalty Notice will not be issued and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

Reporting a Child's Absence

Parents or carers must contact the school on the first day of their child's absence to provide the reason for the absence.

This can be done by leaving a voicemail on our 24 hour voicemail service or by using the free app 'Studybugs'.

Holiday Request

Holidays during term time will not be authorised unless there are exceptional circumstances.

Holiday requests must be made in writing, and a decision will be communicated to the parents or carers within 3 school days.

Definitions

In the context of school attendance and education in the UK, the terms "Persistent Absence," "Risk of Persistent Absence," and "Severe Absence" are used to describe different levels of irregular attendance by students. These terms are important for tracking and addressing attendance issues.

Persistent Absence (PA):

Definition: Persistent Absence is a term used to describe a level of student absence from school that is considered to be a significant cause for concern.

Threshold: In England, a student is considered to be persistently absent when they have an attendance rate of 90% or below. This means they have missed 10% or more of their school sessions.

Risk of Persistent Absence:

Definition: The term "Risk of Persistent Absence" refers to a situation in which a student's attendance is at a level that suggests they are at risk of becoming persistently absent.

Threshold: While there is no specific threshold for "Risk of Persistent Absence," it is typically used to describe students whose attendance is consistently low and becoming a concern, as the school communicates to parents in days, we identify 10 days or more as Risk of PA and we will follow internal school procedures.

Severe Absence (or Severe Persistent Absence):

Definition: The term "Severe Absence" or "Severe Persistent Absence" is used to describe the most serious cases of non-attendance.

Threshold: Particular focus and support will be provided to pupils who are absent from school more than they are present (those missing 50% or more of school). These severely absent pupils may find it more difficult to be in school or face bigger barriers to their regular attendance and as such are likely to need more intensive support across a range of external agency partners.

- Not attending school for any reason.

Authorised Absence

Education Act 1996: The Education Act 1996 is the primary piece of legislation that sets out the legal framework for school attendance in England and Wales. It outlines the responsibilities of parents, carers, and schools in ensuring regular school attendance. Sections 444-447 of the Act deal with offenses related to non-attendance and penalties for parents and carers.

Education (Pupil Registration) Regulations 2006: These regulations specify the procedures for registering pupils and maintaining attendance records in schools in England. They also define the circumstances in which a pupil can be marked as absent or present.

Education (Pupil Registration) (England) (Amendment) Regulations 2013: These regulations amended the 2006 regulations and introduced stricter rules on authorizing term-time holidays. Under these regulations, headteachers are only allowed to grant leave of absence in exceptional circumstances.

School Attendance Code of Practice: The School Attendance Code of Practice provides guidance to schools, local authorities, and parents on the law and procedures relating to school attendance and absence. It sets out the principles for promoting good attendance and dealing with poor attendance.

Local Authority School Attendance Guidance: Each local authority in the UK may provide its own guidance and policies on school attendance. Schools should be aware of and follow the specific guidance issued by their local authority.

Department for Education (DFE) Guidance: The DFE periodically issues guidance documents and updates related to school attendance. Schools should stay informed about the latest DFE guidance 2024 and follow any recommendations or requirements outlined in these documents.

Child Employment Legislation: Legislation such as the Children and Young Persons Act 1933 and the Children (Performances) Regulations 1968 govern the employment and attendance of children involved in performances, modelling, and other activities outside of regular school hours.
